## Classic Executive.

Traditional and classic executive casegoods from the Pivit Collection deliver a timeless look that is sure to impress. Available in four beautiful finishes that can be specified as a monochromatic traditional look or mix-n-match for a more contemporary take on the classic panel desk. A full panel base offers choice of bow or straight fronts with the ability to add overheads, hutches and other accessories.

## Reception.

Invite visitors in with the clean lines of Pivot Reception. As a standalone reception desk, Pivot is perfect for smaller footprints. When space and work requirements call for more, add on Pivot reception return and Pivot storage options. Reflect a classic aesthetic with a monochromatic look or make a statement with contrasting finishes for work surfaces and shell.
