

BENCHING

Effective March 1, 2022

BENCHING

Make the most of your square footage while encouraging employee interaction and collaboration with either static or height adjustable benching, or a beautiful combination of both. Compel benching is highly flexible, allowing you to configure the ideal solution for any space.

PIVIT BENCHING

Benching doesn't have to be complex. Keep it simple with Pivit Benching. Available in the same three worksurface finishes and three leg finishes as Pivit Frame Desking, Pivit Benching allows you to match or contrast your private offices with a sleek, and very simple, benching system.
