## HiLo Collection

Compel's HiLo table is the perfect height adjustable solution for any open space, benching application or private office. Select white, black or silver, and three or two leg options to best suit your needs. Pair with any Pivit, or custom, work surface, HiLo Power Beam for height adjustable benching, or fabric screen with universal clamp for above and below surface privacy.

## HiLo Benching

The HiLo height adjustable benching solution delivers a cohesive ensemble of components: HiLo table base, HiLo power beam with integrated screen braces, and mobile metal ped. Each ensemble is available in 3 versatile finishes: White, Black and Silver.

## Options

2-Leg and 3-Leg  
For 48", 60" or 72"

## Finishes

White, Black & Silver

# HiLo

## Deskling

Whether in a private office or open floorplan, HiLo deskling provides quick, quiet and quality height adjustability. The universal screen clamp is a simple and sturdy way to add above and below surface privacy with fabric or acrylic screens for above and below surfaces.
